Dental Hygienist Exam and Fluoride Treatment:

Any family that does not have dental insurance coverage is eligible to receive a free dental exam and fluoride treatment by certified dental hygienist Marian Moore. If you are interested in this opportunity for your child, please email or call me and I will send a permission form home for you to complete. The appointments will take place here at school this spring. As always, feel free to contact me with any questions.

Patty Smith, RN, BSN
psmith@faystonelementary.org

Health Office Volunteer:

Patty Smith is in search of a parent who has 20 minutes/week to organize the fluoride program. It can be done on a Tuesday, Wednesday or Thursday morning. If two parents would like to share the responsibility that would be fine. Remember, this is only a 10 week commitment, so if you have been wanting to find time to spend in your child's school, this may be a good fit! Please contact Patty in the health office 496-3636 ext. 102 or by email psmith@faystonelementary.org

Healthy Sexual Development Workshop

On **April 27, 6:00-7:30 p.m.**, the Fayston School will be hosting a **Healthy Sexual Development** workshop for our **families with young children (preschool - 2nd grade)**. This excellent workshop is presented by Prevent Child Abuse Vermont. Participants will learn to:

- Identify normal sexual behaviors of children.
- Respond to young children's sexual interactions.
- Respond to young children's questions about sexuality.
- Identify and report suspected child sexual abuse.

We hosted this program two years ago and had very positive feedback from the families who attended. It is an extremely informative workshop! Please let Cally Schober or Beth Abbott-Koch know **no later than Tuesday, April 19th** if you would like to register. Phone (802) 496-3636, Ext. 101,

cschober@faystonelementary.org, or abbott-koch@faystonelementary.org All adults are welcome! Yummy snacks will be provided!
